Controlled Publication Notice

This publication forms part of the Official Publication Library of THE EDIBLE FOREST ESTATE LIMITED.

It records the official publications issued by the Company and provides the authoritative register of current publication versions.

Only publications recorded within this register should be regarded as forming part of the Official Publication Library.

Publication Purpose

The purpose of this publication is to maintain a controlled register of every publication issued by THE EDIBLE FOREST ESTATE LIMITED.

The register promotes good governance by ensuring that:

- only approved publications are used;
- publication versions are identifiable;
- superseded publications can be traced;
- new publications are recorded consistently;
- the Official Publication Library remains complete and up to date.

1. Scope

This publication applies to every controlled publication issued by THE EDIBLE FOREST ESTATE LIMITED.

It includes:

- Constitutional publications;
 - Governance publications;
 - Standards;
 - Guidance;
 - Operational publications;
 - Public information publications.
-

2. Publication Numbering

Every publication shall receive a unique Publication Number.

Publication Numbers should not normally be re-used.

If a publication is withdrawn, its number should remain reserved for historical reference.

3. Publication Status

The following publication statuses may be used:

- Draft
- Under Review
- Approved
- Public
- Superseded
- Withdrawn
- Archived

Only Approved or Public publications should ordinarily be relied upon.

4. Publication Classification

Publications may be classified as:

- Public
- Internal
- Confidential
- Restricted

Unless otherwise stated, publications should be treated according to their assigned classification.

6. Publication Control

Every publication should contain:

- Publication Number;
- Publication Owner;
- Version;
- Status;
- Classification;
- Controlled Publication Notice.

This promotes consistency across the Official Publication Library.

7. Publication Amendments

Amendments should:

- preserve publication numbering;
- record version changes;
- maintain revision history where appropriate;
- avoid unnecessary duplication.

Minor editorial amendments may justify a minor version increase.

Significant policy changes should normally result in a major version increase.

8. Superseded Publications

Superseded publications should:

- remain identifiable;
 - not be used operationally;
 - be retained for historical reference where appropriate.
-

9. Future Publications

The Official Publication Library is expected to expand over time.

Future publications should follow the same publication standards established by the existing library.

Where possible, duplication should be avoided by referring to existing publications rather than repeating content.

10. Review

This Publication Register should be updated whenever:

- a new publication is approved;
- a publication is withdrawn;
- a publication is superseded;
- a publication number is reserved;
- publication status changes.

The Publication Register should always represent the current Official Publication Library.

Related Publications

This publication should be read alongside:

- TEFE-DE-001 — Definitions
 - TEFE-CO-001 — Constitution
 - TEFE-CH-001 — Founding Charter

Closing Statement

The Official Publication Library represents the collective knowledge, governance and standards of The Edible Forest Estate.

Maintaining an accurate Publication Register helps ensure that every publication remains identifiable, traceable and available to future generations.

END OF CONTROLLED PUBLICATION

TEFE-PR-001 | Version 1.0 | Founding Edition

Every generation inherits a choice: to leave the land unchanged, or to leave it better than they found it. The Edible Forest Estate has chosen the latter.

This Charter is the constitutional statement of purpose for
THE EDIBLE FOREST ESTATE LIMITED
and the foundation upon which the Official Publication Library is built.
